Re: Updated NYS Civil Rights Compliance Methods of Administration Plan

This memo is to inform you of changes to secondary-level civil rights compliance reviews compliance fields and find the compliance fields and find fields and fields an

The 2020 Methods of Administration Plan (MOA Plan) approved by the United States Ö^] æd ^} of AÖå &æð } e AÚ ~ã AÓã ÁÚª @ Á¹[çã ^• Á[lÁæå ^&^} dæã ^å Áð] | [æ& ØÁ that integrates various aspects of the work carried out by the Office of CTE. In this decentralized model, all CTE associates participate in efforts to detect activities that signal possible civil rights compliance issues. The MOA Plan builds on existing Perkins grant and CTE program review procedures and widens our view of the factors that impact access to CTE.

Perkins application reviews done by CTE associates will integrate a civil rights component. Staff will identify potential issues by monitoring several factors, such as enrollment and technical assessment pass rates of protected groups, to identify which subrecipients may require technical assistance or a civil rights compliance review.

CTE program amendment forms that are submitted to request changes in the program during the five-year approval period will now be assessed for potential disparate treatment of protected groups (e.g., request to add a separate employability profile or a
