

A Review of Operations and Fiscal Improvement Plan for the Wyandanch Union Free School District

reduction in state aid. Currently, portions (20%) of some state aid payments are being

withheld/deferred. Should the withholding become a permanent feature, the potential impact of the program is

Section 5: Specific Findings and Recommendations

The following section details the areas that the Fiscal Monitor has reviewed and analyzed. Each topic is

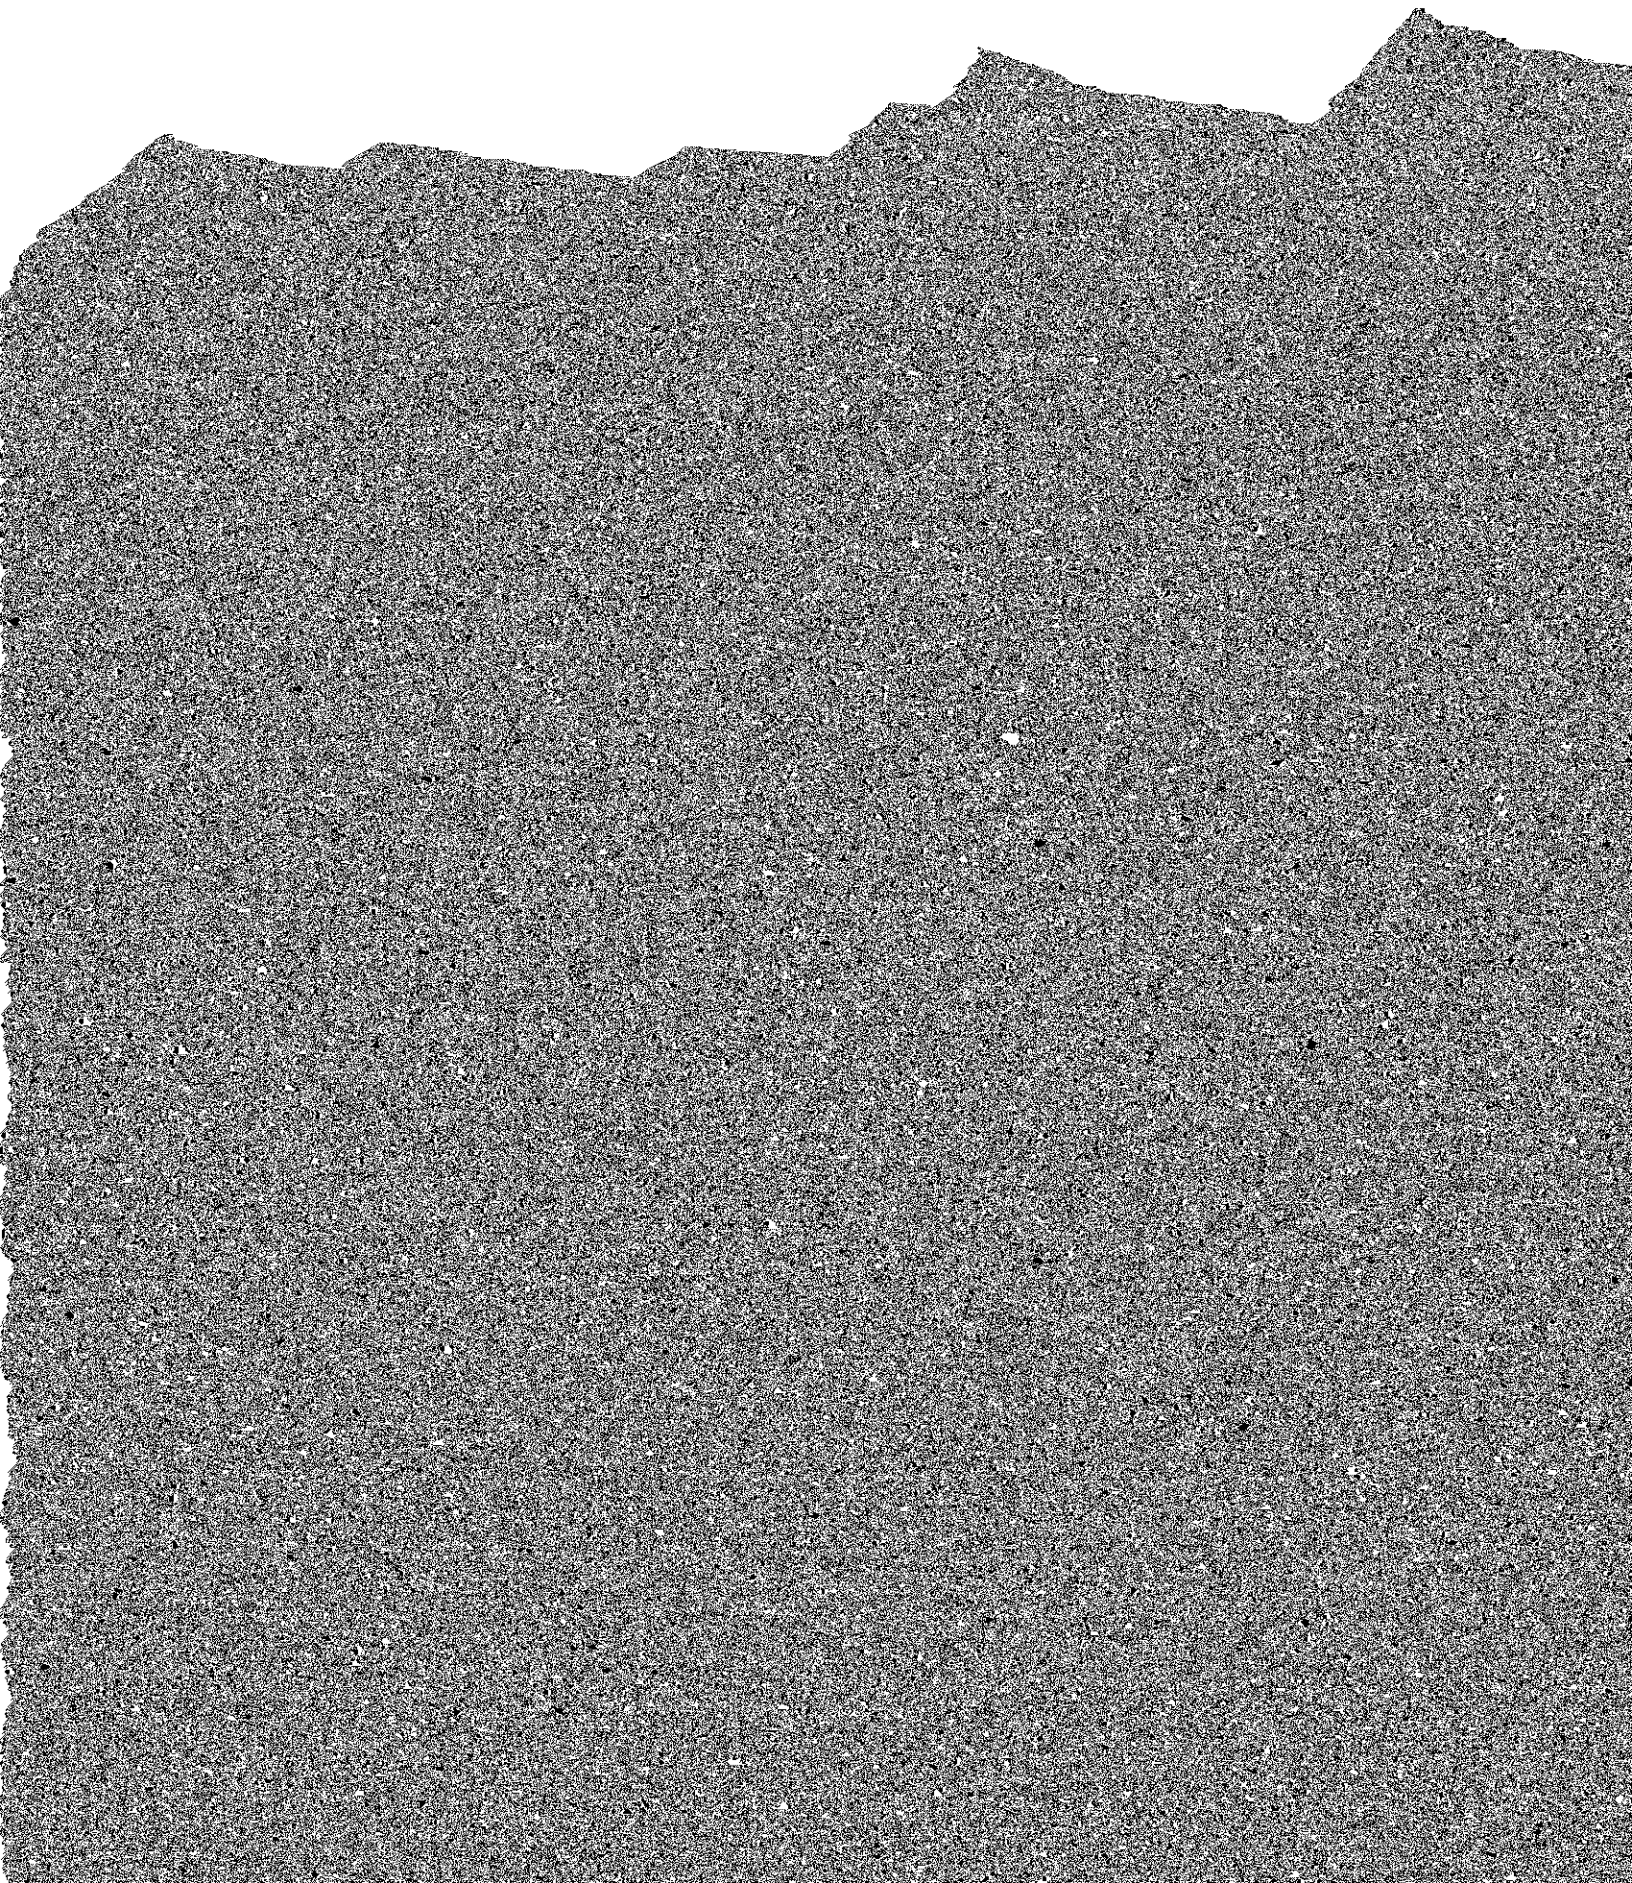

in the inability to maintain timelines. A revised budget calendar was approved in May 2020, primarily

amount borrowed under the Tax Anticipation Note for the 2020-21 school year recognizes that the

Recommendations:

(1) The Business Office should make transfers among personnel budget lines as early in the fiscal year as possible to ensure that all codes are sufficiently covered, rather than waiting until later in the year when

Recommendations:

Public Hearings – As required by the legislation, two public hearings were held, the first

to date. For all these reasons, it has made much easier and has allowed for the development of
