Required Subcomponent 2: Observations by Impartial Independent Trained Evaluator(s)*

At least one observation must be conducted by impartial independent trained evaluator(s) and at least one of the required observations must be unannounced (across both required subcomponents).

- Impartial independent trained evaluators are trained and selected by the LEA.
- They may be employed within the LEA, but may not be assigned to the same school building as the teacher being evaluated. This could include other administrators, department chairs, or peers (e.g., teacher leaders on career ladder pathways), so long as they are not from the same building (defined as same BEDS code) as the teacher being evaluated.
- LEAs may locally determine whether to use more than one observation by impartial independent trained evaluator(s).
- The frequency and duration of observations are locally determined.
- Observations may occur in person or by live or recorded video, as determined locally.

** If the LEA is granted an annual Rural/Single Building Independent Evaluator Hardship Waiver by the Department, this subcomponent will be satisfied through the use of one or more evaluators selected and trained by the LEA, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. If the LEA is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, this subcomponent will be satisfied through the processes described in that application.*

Training Assurance

Please check the box below.

☑ The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
2) the process for the certification and re-certification of lead evaluators;
3) the process for ensuring inter-rater reliability; and
4) the nature (content) and the approximate duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

All evaluators (lead evaluators, evaluators, and independent evaluators) are trained through OCM BOCES. Lead evaluators are certified, or recertified, annually by the Board of Education, upon documentation of completion of proper lead evaluator/evaluator training offered through OCM BOCES. This training or re-training is nine (9) hours in duration, and includes training activities to enable participants to have a high degree of inter-rater reliability. The nine elements to be addressed are:
(1) The New York State Teaching Standards, and their related elements and performance indicators

(2) Evidence-based observation techniques that are grounded in research

(3) Application and use of any methodology as part of an SLO and any optional second measures of student performance used by the LEA to evaluate its teachers

(4) Application and use of the State-approved teacher rubric(s) selected by the LEA for use in evaluations, including training on the effective application of such rubrics to observe a teacher’s practice

(5) Application and use of any assessment tools that the LEA utilizes to evaluate its classroom teachers

(6) Application and use of any locally selected measures of student growth used in the Optional subcomponent of the Student Performance category used by the LEA to evaluate its teachers

(7) Use of the Statewide Instructional Reporting System

(8) The scoring methodology utilized by the Department and/or the LEA to evaluate a teacher under this Subpart, including the weightings of each subcomponent within a category; how overall scores/ratings are generated for each subcomponent and category and application and use of the evaluation matrix(es) prescribed by the Commissioner for the four designated rating categories used for the teacher's overall rating and their category ratings

(9) Specific considerations in evaluating teachers of English language learners and students with disabilities

Describe the procedure for ensuring that appeals of annual performance evaluations will be resolved in a timely and expeditious manner.

Appeals of annual professional performance reviews shall be limited to those that rate a principal as Ineffective or Developing only.
The scope of appeals under Education law 3012-d shall be limited to the following subjects:
1. The school district's adherence to the standards and methodologies required for such reviews, pursuant to Education Law 3012-d;
2. The adherence to the Commissioner's regulations, as applicable to such review;
3. Compliance with any applicable locally negotiated procedures applicable to annual professional performance reviews or improvement plans; and
4. The school district's issuance and/or implementation of the terms of the principal improvement plan under Education law 3012-d.
5. The substance of the annual professional performance review; which shall include the following: (i) in the instance of a principal rated Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally.
The following procedure is the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a principal's performance review, and/or improvement plan. A principal who receives an effectiveness rating of "ineffective" or "developing" may appeal his or her performance review. Ratings of "highly effective" or "effective" cannot be appealed. A principal may not file multiple appeals regarding the same performance review. All grounds for appealing a particular performance review must be raised within the same appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

Level 1: Appeal to Lead Evaluator

A member may appeal the annual evaluation to the appropriate Lead Evaluator within twenty (20) school days of its receipt. The appeal shall be in writing and shall articulate in detail the basis of the appeal. The Lead Evaluator shall hold an informal conference with the appealing member and render a written determination in response within ten (10) school days of receipt of the appeal. The response shall include a detailed explanation of the rationale.

Second Consecutive Rating of Ineffective

In the event that the appeal is for a second consecutive ineffective rating the administrator shall follow level 1 of the appeals process. In addition, within ten (10) school days of the Level 1 decision, if the issues are not resolved the member may appeal to Level 2. For all other appeals, the Level 1 decision is final and binding.

Level 2: Appeal to Third Party

1. The appeal to Level 2 shall be made to a mutually acceptable arbitrator competent in the area of the appeal within ten (10) days of the Level 1 decision. If the parties are unable to agree upon an arbitrator or to obtain such an arbitrator's commitment to serve, a request for a list of arbitrators will be made to the American Arbitration Association by either party. The parties will then be bound by the rules and procedures of the American Arbitration Association in the selection of said arbitrator.
2. The hearing before the arbitrator shall commence at the earliest convience of the arbitrator; however, the hearing will be held in a timely and expeditious manner. The arbitrator may issue a modification of the rating, along with his/her rationale for the same. The arbitrator's decision shall be rendered within ten (10) days of completion of the hearing. This process will be timely and expeditious in accordance with Education Law 3012-d. The cost of the arbitrator's services shall be shared evenly by the Association and the District. The decision at level 2 shall be binding and final.
