Required Subcomponent 2: Observations by Impartial Independent Trained Evaluator(s)*

At least one observation must be conducted by impartial independent trained evaluator(s) and at least one of the required observations must be unannounced (across both required subcomponents).

- Impartial independent trained evaluators are trained and selected by the LEA.
- They may be employed within the LEA, but may not be assigned to the same school building as the teacher being evaluated. This could include other administrators, department chairs, or peers (e.g., teacher leaders on career ladder pathways), so long as they are not from the same building (defined as same BEDS code) as the teacher being evaluated.
- LEAs may locally determine whether to use more than one observation by impartial independent trained evaluator(s).
- The frequency and duration of observations are locally determined.
- Observations may occur in person or by live or recorded video, as determined locally.

** If the LEA is granted an annual Rural/Single Building Independent Evaluator Hardship Waiver by the Department, this subcomponent will be satisfied through the use of one or more evaluators selected and trained by the LEA, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. If the LEA is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, this subcomponent will be satisfied through the processes described in that application.*

1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
2) the process for the certification and re-certification of lead evaluators;
3) the process for ensuring inter-rater reliability; and
4) the nature (content) and the approximate duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

All evaluators(evaluators, lead evaluators, independent evaluators) are trained as lead evaluators. All evaluators will receive training on the 9 elements required by Section 30-3.10 of the Rules of the Board of Regents. Initial training is 6 hours and re-training is 3 hours done annually. The District will utilize TST BOCES evaluator trainings and lead evaluator training on an ongoing basis as offered. To ensure inter-rater reliability, calibration training is provided every year to practice scoring the rubric and to compare the scores for each evaluator. TST BOCES will certify and re-certify all evaluators annually.

To ensure inter-rater reliability, calibration training is provided every year to practice scoring the rubric and to compare the scores for each evaluator. TST BOCES will certify and re-certify all evaluators annually.
