Observation Assurances

Please check all of the boxes below.

- ☑ Assure that the following elements will not be used in calculating a teacher's Observation category score and rating: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; and/or use of professional goal-setting as evidence of teacher effectiveness. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.

- The frequency and duration of observations are locally determined.
- Observations may occur in person or by live or recorded video, as determined locally.

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious manner.

A teacher who receives a rating of Ineffective or Developing may appeal his or her performance review and/or resulting teacher improvement plan. Ratings of Highly Effective or Effective cannot be appealed. A teacher may appeal only: the substance of his or her performance review; the school district's adherence to standards and methodologies required for such reviews; adherence to applicable regulations of the Commissioner of Education; compliance with the procedures for the conduct of performance reviews set forth in the APPR plan; and/or the LEA's issuance and/or implementation of the terms of the teacher improvement plan, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
The timeline for an appeal shall proceed as follows:
1. Appeals concerning a teacher's performance review must be received by the supervising principal or coordinator no later than ten (10) workdays after the date when the teacher receives his or her overall rating. The failure to submit an appeal within this timeframe shall result in a waiver of the teacher's right to appeal the performance review. This appeal must contain a detailed description of the precise point(s) of disagreement over his or her performance review, along with any and all documents or written material that he or she believes are relevant to the resolution of the appeal.
2. The administrator who received the appeal has five (5) workdays to respond to the teacher in writing. The administrator will simultaneously notify the teacher and the superintendent of the decision to grant or deny the appeal.
3. The appealing teacher must notify the superintendent no later than 8:00 am on the seventh workday after the administrator denied the teacher's appeal that the teacher plans to appeal to the Appeals Panel. Upon the written notice of a request for an appeal, the superintendent will also immediately notify the appealing teacher of the time and place of the appeals hearing.
4. Upon receipt that the teacher plans to appeal to the Appeals Panel, the superintendent will immediately put the Appeals Panel on notice that they are convening on the eighth (8th) working day following the receipt of that notice. The Appeals Panel shall consist of: Two teachers (An STA association officer and another teacher, to be designated by the STA President). Teachers cannot be from the same building as the teacher who is appealing) Two administrators (other than the Superintendent) The membership of this panel will be stipulated at the beginning of each school year, with the understanding that they may be empanelled at any time during the school year. Two teachers will be chosen for each school (Waterman, State Street, Middle School, and High School) The STA President will choose and designate the teacher members. The superintendent will choose and designate the administrator members. The appealing teacher may also ask an STA representative to accompany him or her to the appeals hearing. This representative has no vote on the panel.
5. During the review before the Appeals Panel, the teacher will have an opportunity to once again state his or her case. The Appeals Panel members will also have an opportunity to question the appealing teacher. The intent is that the panel will gather as much information as feasible in order to make a good decision.
6. After the teacher has stated his or her case, the teacher and his or her STA representative will be excused from the room. At that time, the panel will discuss and deliberate the merits of the case. They will come to a conclusion by the end of the meeting. This conclusion is limited to the following: The appeal is granted by a majority vote. The appeal is denied by a majority vote. The panel is deadlocked by a two to two vote. Each member is required to vote by granting or denying the appeal.
7. This conclusion is then immediately forwarded to the Superintendent. If deadlocked, each position will submit a written explanation of their findings to the superintendent within five (5) workdays of the mutual determination of deadlock.
8. If the panel is deadlocked, the Superintendent will gather the facts and rule on the appeal with a final decision. The Superintendent will issue a written decision on the merits of the appeal no later than ten (10) workdays after receipt of the panel's written explanations regarding his or her decision. If the Superintendent sustains the appeal, he or she will issue an appropriate remedy. If the Superintendent dismisses or denies the appeal, the teacher's APPR rating and evaluation shall remain unchanged, and the appeal process shall end. The Superintendent's decision shall be final and binding, and may not be appealed or reviewed further.
9. The teacher's failure to comply with the requirements of this procedure shall result in a denial of the appeal.
10. The teacher bringing the appeal has the responsibility of demonstrating that the original performance review rating should be changed.
11. Notwithstanding the above, in the event that a tenured teacher has received two consecutive ineffective APPR evaluation ratings, the teacher may initiate a third tier appeal within (10) workdays after the receipt of the Superintendent's determination which shall be to an individual selected from a list of APPR hearing officers mutually chosen by the Superintendent and Association President from a list of hearing officers trained and approved by the BOCES served by the District. In the event that the BOCES does not maintain a list of trained and approved hearing officers for this purpose, the Superintendent and Association President shall at the beginning of the school year mutually agree upon no less than two and no more than four trained hearing officers for this purpose. The hearing officer shall make a final and binding decision upon the appeal of the APPR evaluation and/or resulting teacher improvement plan. The hearing officer's decision will be made in a timely manner. The appeals process will be timely and expeditious in compliance with education law 3012(d).

Assurances

Please check all of the boxes below.

- ☑ Assure that for any SLO based, in part, on the New York State grade four science assessment, beginning in the 2020-21 academic year the SLO will utilize only the remaining assessments.
- ☑ For principals evaluated using an SLO, assure that such SLO is determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☑ For principals evaluated using an SLO, assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☑ For principals evaluated using an SLO, assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☑ For principals evaluated using an SLO, assure that if the principal's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☑ For principals evaluated using an input model, assure that all applicable principals will be evaluated using the procedures described herein and approved by the Commissioner.
- ☑ Assure that processes are in place for the superintendent to monitor SLOs and input models.
- ☑ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

- District- or BOCES-wide group or team results: scores and ratings for a group or team of principals will be based on the growth of students in the group/team of principals' buildings/programs in an LEA in the current school year.

Student Performance based on an Input Model

An input model uses evidence of principal practice that promotes student growth related to the Leadership Standards.

Selection of the Input Model will require:

- a description of the areas of principal practice that will be evaluated;
- a description of how the selected areas of principal practice promote student growth;
- a description of the evidence of student growth and principal practice that will be collected; and

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious manner.

Appeals for Principal Evaluation: Appeals are limited to those identified by Education Law §3012-d, as follows:
1. The substance of the annual professional performance review;
2. The school district's or board of cooperative educational services' adherence to the standards and methodologies required for such reviews;
3. The adherence to the Commissioner's regulations, as applicable to such reviews;
4. Compliance with any applicable locally negotiated procedures applicable to annual professional performance reviews or improvement plans; and
5. The school district's or board of cooperative educational services; issuance and/or implementation of the terms of the principal improvement plan.

Appeals Processes:
1. Probationary principals can appeal ineffective ratings and tenured principals can appeal ineffective and developing ratings.
2. A principal may not file multiple appeals regarding the same performance review. The issuance of an improvement plan may prompt an appeal independent of the performance review. The implementation of an improvement plan may be appealed upon each alleged breach thereof. All grounds for appeal must be raised with specificity within such appeal. Any grounds not raised shall be deemed waived.
3. For ineffective, the burden shall be on the district to establish by the preponderance of the evidence that the rating given to the appellant was justified or that an improvement plan was appropriately issued and/or implemented. For the developing appeal, the burden of proof is born by the principal.
4. All appeals shall be filed in writing. The written appeal must be through the U.S. mail as a certified document addressed to the Superintendent of Schools. No electronic filing will be acceptable.
5. An appeal of a performance review or the issuance of an improvement plan must be filed no later than fifteen (15) business days of the date when the principal receives his/her overall rating.
6. An appeal of the implementation of an improvement plan shall be within fifteen (15) business days of the failure of the district to implement any component of the plan.
7. When filing an appeal, the principal must submit a written description of the specific areas of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan. Supportive evidence about the challenges may also be submitted with the appeal. Any additional documents or materials relevant to the appeal must be provided by the district upon written request for same. The performance review and/or improvement plan being challenged must also be submitted with the appeal.
8. Within fifteen (15) business days of receipt of an appeal, the district must submit a detailed written response to the appeal. The response must include all additional documents or written materials relevant to the point(s) of disagreement that support the district's response. Any such information that is not submitted at the time the response is filed shall not be considered on behalf of the district in the deliberations related to the resolution of the appeal. The principal initiating the appeal shall receive a copy of the response filed by the school district, and all additional information submitted with the response, at the same time the school district files its response. Additional material supporting the challenges may be submitted by the principal up to five (5) days before the start of the hearing.
9. Within five (5) business days of the district's response, a single individual hearing officer shall be mutually chosen by the Superintendent and Association President from a list of hearing officers trained and approved by the BOCES served by the District. In the event that the BOCES does not maintain a list of trained and approved hearing officers, the Superintendent and Association President shall mutually agree upon two trained hearing officers. The hearing officer for a specific appeal hearing will be assigned by lottery from this list. The parties agree that:
10. The hearing officer shall hear appeals in a timely manner after the appeal is made, but in no event shall it be less than five (5) business days or more than fifteen (15) business days after the hearing officer is selected.
11. The hearing shall be conducted in no more than one business day unless extenuating circumstances are present and the hearing officer agrees to a second day.
12. The parties shall have the ability to be represented by either district labor relations specialist or school attorney, union representative, or appear pro se;
13. The parties shall exchange an anticipated witness list no less than two (2) business days before the scheduled hearing date;
14. The district shall have the opportunity to present its case supporting the ineffective rating or improvement plan and then the principal may refute the presentation. The principal with a developing rating shall have the opportunity to present their case and then the district may refute the presentation. These may include the presentation of material, witnesses and/or affidavits in lieu of testimony.
15. A written decision on the merits of the appeal shall be rendered no later than fifteen (15) business days from the close of the hearing. Such decision shall be a final administrative decision. The decision shall set forth the reasons and factual basis for the determination on each of the specific issues raised in the appeal. The reviewer must either affirm or set aside a district's rating or improvement plan. A copy of the decision shall be provided to the principal and the district representative.

Additional Considerations:

Page Last Modified: 03/17/2020

1. This appeal procedure shall constitute the means for initiating, reviewing and resolving challenges to a principal performance review or improvement plan. A principal may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to a professional performance review and/or improvement plan.
2. The costs of the hearing officer shall be the responsibility of the District.
3. In addition to any further limitations agreed to within the APPR agreement, an evaluation shall not be placed in a principal's personnel file until either the expiration of the fifteen (15) business day period in which to file a notice of appeal without action being taken by the principal or the conclusion of the appeal process described herein, whichever is later.
4. A principal who takes advantage of the appeals process described herein does not waive his/her right to submit a written rebuttal to the final evaluation. A principal who elects to submit a written rebuttal to his/her evaluation prior to the expiration of the fifteen (15) business days in which to file a notice of appeal does not waive his/her right to file an appeal.

Describe the process for training evaluators, including impartial and independent evaluators and peer principals, and certifying and re-certifying lead evaluators.

In person training sessions covering the nine (9) required elements for Lead Evaluators and Evaluators, and the three (3) required elements for Independent Evaluators are held quarterly and led by professional staff from the BOCES.
1. Lead evaluators will be trained via Cayuga-Onondaga BOCES and certified/recertified annually by the Skaneateles CSD Board of Education accordingly.
2. Evaluators and Independent Evaluators will be trained by professional staff from BOCES.

The district will provide all evaluators (lead, independent, and all other evaluators) will regular and ongoing training in inter-rater reliability based on
