Engagement takes the forms of Zoom meetings, Opinion Surveys, and personal contacts via email and telephone. Topics analyzed in the dialogue with stakeholders include:

1. Data on King Center’s mode of instruction (remote, hybrid, in-person) and student attendance in each modality; the manner in which funds are allocated to meet student’s social, emotional, and academic needs through evidence-based interventions, how they advance equity for underserved students and how they sustain and support access to early childhood education programs;
2. Student data, disaggregated by student subgroup, related to how the COVID-19 pandemic has affected instruction and learning;
