Re: Submission of the 2020-2021 Program Budgets

After consulting with our colleagues from the field and obtaining input from the MBK program officers, we have adjusted the timeline for the MBK Grant programs. The purpose of this communication is to inform you of the revised and updated deadline for the 2020-21 program year budgets for the following My Brother's Keeper (MBK) grant programs:

- MBK Fellows Program
- MBK Challenge Grant Program (Round 2)
- MBK Native American Program
- MBK Exemplary Schools & Model Practices Program
- MBK Teacher Opportunity Corps II

The revised due date for all MBK budgets is **August 31, 2020**. Additionally, a list of program-specific items with detailed instructions will be provided by the program officer assigned to your MBK grant.
