*Read the Tips for Taking the Test aloud as the students follow along.*

**SAY** Here are some suggestions to help you do your best:

Be sure to read all the directions carefully.

Most questions will make sense only when you read the whole passage. You may read the passage more than once to answer a question. When a question includes a quotation from a passage, be sure to keep in mind what you learned from reading the whole passage. You may need to review both the quotation and the passage in order to answer the question correctly.

Read each question carefully and think about the answer before writing your response.

In writing your responses, be sure to

clearly organize your writing and express what you have learned;

accurately and completely answer the questions being asked;

support your responses with examples or details from the text; and

write in complete sentences using correct spelling, grammar, capitalization, and punctuation.

For the last question in this test book, you may plan your writing on the Planning Page provided, but do NOT write your final answer on this Planning Page. Writing on this Planning Page will NOT count toward your final score. Write your final answer on the lined response pages provided.

**SAY** You may not keep your cell phone or any of these items with you, or near you, including in your pockets, backpack, desk, etc. If you keep a cell phone or any of these items with you, your examination will be invalidated and you will get no score. Is there anyone who needs to give me any of these items now?

This is your last opportunity to do so before the test begins.

*Repeat list of devices. Pick up devices from students and return them after testing.*

**SAY** You will be taking the 2022 Grade 4 English Language Arts Test. There are two sessions for this test. Today, you will answer the questions in Session 1. You will answer the questions in Session 2 tomorrow.

Today, you will read some passages and answer questions about what you have read. You must mark your answers on your answer sheet by darkening the circle for the letter that matches your answer for each question. You will have as much time as you need today to answer the questions.

*Distribute an answer sheet to each student. If answer sheets are precoded, make sure each student receives the correct answer sheet.*

**SAY** This is the answer sheet you will use during today's test session. Look at your answer sheet and make sure you are on page 1. The page number is indicated in the upper right-hand corner of the answer sheet.

When marking answers on your answer sheet, you must darken the circle for the letter that matches your answer for each question.

Be sure to use only a No. 2 pencil. You may not use a pen or highlighter on your answer sheet. When you darken the circles, make heavy black marks.

If you make a mistake, erase it completely.

Make no stray marks on the answer sheet.

Do not make any marks on the back of your answer sheet.

*Students who finish the test before other students should check their work. Once the student checks their work, or chooses not to, test materials may be collected by the proctor. After a student's test materials are collected, that student may be permitted to read silently. This privilege is granted at the discretion of each school. No talking and no other schoolwork is permitted. Once all students complete the test, you may end the session.*

If so, take care that students leave the room as quietly as possible so as not to disturb the students who are still working on the test.*

*Follow security procedures established by your principal or school administrator for returning secure test materials.*

**Test booklets and scoring materials must be kept secure. You are not to discuss the test, show it to anyone, or photocopy the materials, as the security of the test could be breached. However, school personnel may make photocopies of this *Teacher's Directions* if additional copies are needed.**
