STUDENTS TO BE TESTED

Except as noted below, all public and charter school students in Grades 3–8 must take all State tests administered for their grade level. This includes students who have been retained in these grades. The chronological ages of students with disabilities who are ungraded should be used to determine who must be tested and which [grade-](#)

For any grade level a school is testing with CBT, all students in that grade level must test by CBT. The only exceptions are for those students who must test on paper
