The Office of Bilingual Education and World Languages (OBEWL) of the New York State Education Department (NYSED) presents this next workshop in its 2022 Professional Learning Series: Lesson Planning Part 2 – Lesson Planning Options for Thematic Units. This webinar is offered free of charge for world language educators and administrators working and studying in New York State educational institutions.

Workshop description: What can effective and engaging lessons look like in the context of a thematic unit? Lesson design and strategy selection can depend on the lesson focus, whether that be a single mode of communication, integrated modes of communication, a targeted language function, or a particular cultural context. In this session, participants will explore strategies that lend themselves well to different lesson designs to maximize student engagement and promote proficiency development.

Once the registrant's email address has been verified as being from a New York State school, college, or university, an email confirming their registration will be sent. Twenty four hours prior to the event, all registered individuals will receive login instructions with the link to join the workshop. **Only pre registered attendees will be eligible for a certificate documenting attendance and/or CTLE hours.**
